

## DLAT CRUISE 2009

The Dental Laboratory Association of Texas wishes to provide an opportunity for its members to take a cruise to the Western Caribbean, more specifically the Island of Cozumel aboard the Carnival Lines Ecstasy. I suspect the "PIG FLU" will be a thing of the past by then, but if not, the cruise line will have "Plan B" The booking agent for this venture will be Miller Travel, 6301 Gaston Ave, #163, Dallas, Texas 75214: 214-827-8070, Fax 214-827-8382, milltrav1@swbell.net.

Carnival Lines cruise ship Ecstasy will sail from the Port of Galveston on Thursday, July 30, 2009, at 4:00 pm, and return to the Port of Galveston Monday, August 3, at 8:00 am.
